

**Need a breakthrough?**

Let's walk into unusual environments  
and listen to unusual people!

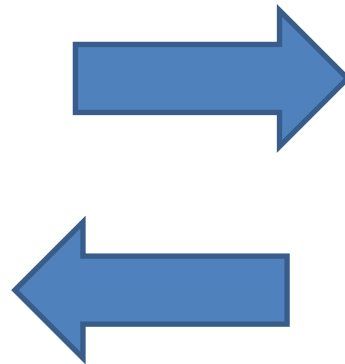

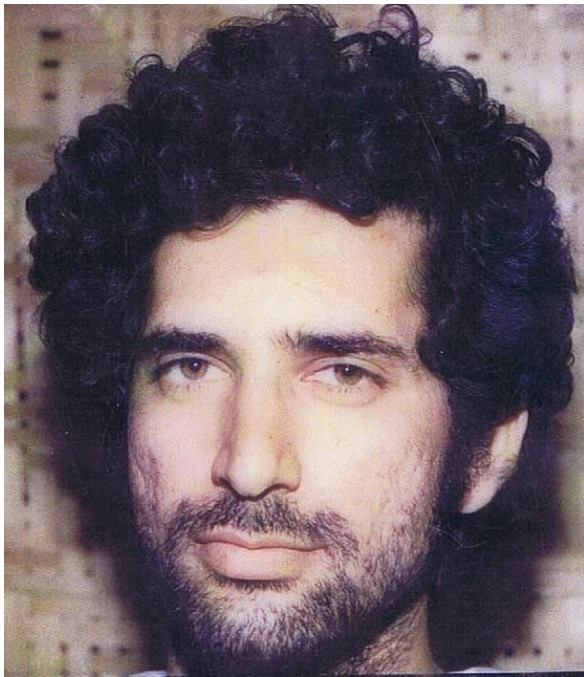

**Definition of crisis**

Loss of things we cherish

危机

I changed but:

AND Confidential

**In times of crisis:**  
**We default to our intentions**  
**We default to our training**

# Action

- Take an area of your life and declare a crisis
- To find a breakthrough:
  - walk into unusual environments
  - listen to unusual people
