Time to move ahead...

Gen-Z

The Future

- Born Digital Savvy – grown with iPads, Smartphones etc.
- Internet and Speed is everything.
WWW now stands for What We Want
- Collaborative with the World of knowledge in their fingertips
- Too Many Expectations to meet – Not much time
- Life should be easier – Unique needs & Expectations and require instant gratification
- This Generation listens !!! to their Headphones

Tests/Exams...

The age old method continues...

- Carry and Study with big, fat books
- Only few comprehend what to read; more importantly where to read
- Miss preparing the important sections
- Studying in groups common but unable to share easily
- Still a challenge for the Digital Generation
