E-LEARNING
PROS & CONS

Fabienne Rollandin
17th March 2017

Pros

E-LEARNING
- ✓ Personalized learning (tailored content)
- ✓ Learn at your rhythm (pace)
- ✓ Learn from anywhere (location)
- ✓ Asynchronous studies
- ✓ Affordable (price)

CLASSROOM
- ✓ Face to Face
- ✓ Direct Q&A and exchange
- ✓ Ease of networking & interaction

Cons

E-LEARNING
- ✓ Technology issues (broadband; tools, compatibility)
- ✓ Security (cheating)
- ✓ Motivation (require lots of discipline)
- ✓ Isolation

CLASSROOM
- ✓ No flexibility (be there)
- ✓ Speed (must follow)

Is e-learning for everyone?

Is e-learning for every sector?

Is e-learning for every topic?

Is e-learning for every age?
