Ликвидация дырок: как «Карат» сменил акционера и реанимировал свои сырные бренды

Павел Розенфельд загрузил мощности «Карата». Осталось расплатиться с долгами Фото Семена Каца для Forbes

Еще год назад торговые сети не хотели разговаривать с «Каратом». Долги ритейлерам рожли, но к декаоры 2015 года «Карат» обновил ассортимент, изменил упаковку и перезапустил свои бренды. Продажи к апрелю 2016 год, выросли на 68%

Special Projects

## Depot WPF is a branding agency that brings happiness to its clients. Welcome!

We create brands from scratch as well as renew the existing ones: we conduct market analysis, develop brand strategy and positioning, naming, visual identification and package design, create integrated communications system for the brand.

# MAKE YOU HAPPY?

Our happy clients would be in a better position to answer this question. Every month we prepare for you an interview with a new recipe for happiness.

#### INSPIRING NOTEBOOK

**DON'T RECORD IDEAS - GET THEM** 

#### Brief:

To design a corporate gift for creative agency's clients, partners and friends.

#### Solution:

Depot WPF is ready to perform your creative tasks all the year round. But of course there are situations when you need to get a creative solution yourself. We decided to provide you with an effective instrument for such situations: a book turning your creativity on. One hundred times.
