Organizational committee

AGAMA — a Ukrainian communications group leading the market in the effective use of communications to grow clients' businesses. The group consists of 14 agencies having leading expertise across all communications disciplines: creative services, media services, digital services, marketing services, PR & GR. AGAMA was named Ukraine's most effective communications group following the wrap-up of Effie Awards Ukraine 2014. Group is now ranked the #7 Agency Holding Group worldwide according to Effie Index Worldwide.

GROU

Grou is a reputation management and public affairs agency based in Kyiv, Ukraine, launched in February, 2015. Earlier it was part of Pleon Talan — an award-winning PR agency with 12 years of experience.

Grou is a team of seasoned professionals with experience in corporations, media, agencies and NGOs. We also use a network of specialized consultants to fill specific expertise needs.

Grou focuses on advocacy, crisis communications, change communications, reputation strategies, executive communications, media training, and public awareness campaigns.

«For anyone engaged (or wishing to be engaged) in global communication, World Communication Forum is the perfect chance to develop your personal network of global professional contacts»
